Any chalk must be water soluble. Spray chalk and chalking containing hardening substances are not permitted. Painting is limited to the 'graffiti tunnel' between Science Road and the Griffith Taylor building. Certain sections of this tunnel are traditionally used by SUDS to advertise their productions, so please respect their use of these areas.

2.5 Automatic Disqualification

Candidates can be automatically disqualified if an appeal is upheld against them for breaching a number of regulations. [s.26(b)]. These include distributing or printing material that is discriminatory, physical or verbal intimidation, voting more than once, defacing/ damaging property and exceeding spending limits.

Part 3: Other Stuff

3.1 Complaints and Appeals

Any person who is entitled to vote may lodge a complaint with the Electoral Officer that the regulations have been breached. This should be done as soon as possible in writing and should specify exactly which regulation has been breached, by whom, and what action you think should be taken. Candidates should do this through their teams nominated official representative.

If the Electoral Officer is unable to deal with the matter to the complainants satisfaction, then a formal complaint may be lodged for the Electoral Legal Arbitrator (ELA) who is appointed for this purpose.
