# Accessing the SRC computers & SRC server

## Remote access to the SRC server

### Working in the SRC Office

The SRC office has Mac computers with Adobe Creative Cloud already installed. Office bearers and editors can access the computers and log on to the SRC server via the passwords below.

#### Login to SRC computers

*-logins are provided at training sessions or via the Admin Manager*

UN: xx.officers / PW: (see Admin Manager)

UN: honi.soit / PW: (see Admin Manager)

#### Login to SRC Server / Honi Server

Finder > Go > Connect to Server

UN: xx.officers / PW: (see Admin Manager)

UN: honi.soit / PW: (see Admin Manager)

### Remote access to the SRC server

If you want to work remotely, you will need to access the SRC Server via the CISCO VPN software

You will need to ask the Admin Manager (Chtira) to give you remote access to the SRC server via your unikey and follow the instructions via this link:

#### Instructions

- Admin Manager has given you access via unikey
- Download and install CISCO remote access to your computer and OKTA verify app to your phone
- Use your unikey log-in to CISCO to access the SRC server.
- Once connected via the CISCO VPN login to the server as normal using either the OB or Honi UNPW above

# Adobe Creative Cloud, (InDesign & Photoshop)

## Adobe Creative Cloud Accounts

*Adobe Creative Cloud Subscriptions will be reimbursed for the following students: Honi Editors, President, Vice President, General Secretary, Education OBs & Womens OBs.*

Students can purchase a 12-month Adobe Creative Cloud subscription for \$86 via [Sydney University ePay](#)

### Fill in the Adobe Account Application form

We will set up a student account for you, however we need some additional information via the form above. It can take 1 week from the time we apply

### Adobe Account Form

### Temporary Adobe Accounts

Two week free trials are available via the Adobe website, but use a personal email, not uni email.

## Install the Adobe Creative Cloud Desktop Console and InDesign & Photoshop Applications

Once your upgrade is activated, head to the Adobe website to download the ACC desktop console application and then the latest versions of Adobe Photoshop and InDesign from the Apps area.

# Handbook project folders & templates

## Where to find HANDBOOK PROJECT folders on the SRC Server:

**YOUR HANDBOOK PROJECT FOLDER** is on on the **SRC Server**. This is where to keep the project folder and template for your handbook project and where you will need to save all your files. This folder contains sub-folders and InDesign files that you can use to layout your edition.

SRC File Server/HANDBOOK ARCHIVE/  
<Your Project folder >

Inside the project folder will be a number of sub-folders and files that are your **TEMPLATE**.

**1. Spreads:** Save purchased template InDesign files here  
Contains the InDesign files that make up your edition.

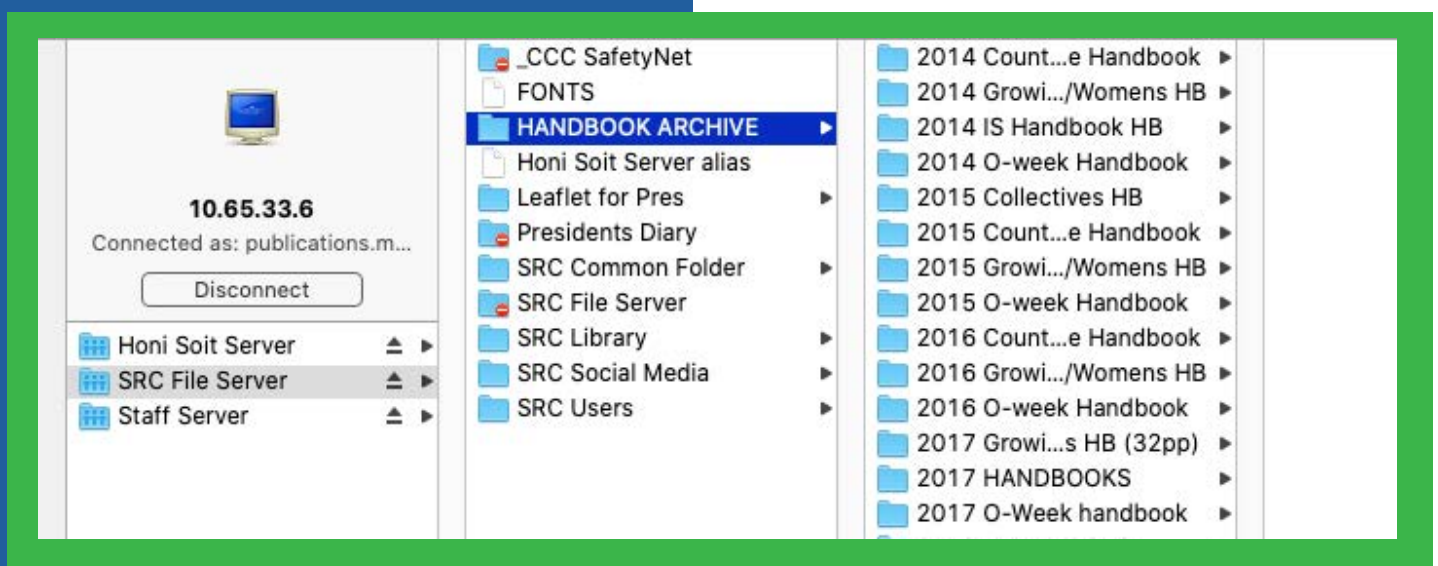

**2. Articles:** Save articles submitted for your edition here

**3. Links:** Save all graphics here  
*- Do not leave any images on the desktop or on other drives as the links will be broken.*

**4. Fonts:** Save fonts that you use and/or download from dafont.com or other places so that we can activate them when we output for print. Adobe fonts we can access via Adobe Creative Cloud, so not needed in this folder.

*Using Adobe Creative Cloud fonts activated via the Creative Cloud console is preferred. However, if you used decorative fonts from dafont.com please save a copy of the font file into the 4.Fonts folder so that Publications staff or others in your editorial team can activate the fonts in the Font Book application.*

Inside the folder will be a number of folders and files that are your **HANDBOOK TEMPLATE**:
