### 1. Acknowledgement of Country

The University of Sydney Students' Representative Council acknowledges the traditional owners of this land (Sydney), the Gadigal people of the Eora nation. We stand on this land today as beneficiaries of an uncompensated and unreconciled dispossession that occurred over 200 years ago. Many of the descendants of those dispossessed live just down the road in abject poverty, and as young people it is important to recognise how this history of dislocation and disenfranchisement has contributed to the inequality we observe in modern society. We acknowledge both our privilege and our obligation to redress the situation as best we can: to remember the mistakes of the past, act on the problems of today, and build a future for everyone who now calls this place home, striving always for genuinely practical and meaningful reconciliation.

Imogen made a comment on the future of the SRC.
